Commissioner for Patents

see attached notice of non-responsive amendment.

Response to Amendment

The reply filed on June 1, 2007 is not fully responsive to the prior Office Action because it fails to reply to the requirement for information. Because the period for reply set forth in the prior Office action has expired, this application is abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

This requirement is an attachment of the prior Office action. A complete reply to the prior Office action must include a complete reply to this requirement. The time period for reply to this requirement coincides with the time period for reply to the prior Office action. **Applicant is reminded that failure to fully reply to this requirement for information will result in a holding of abandonment.** MPEP 704.12(c)
